Test-Day Checklist

Read this list on the day of your online test.

- [ ] The invitation email is open, and I know my 30-day deadline.
- [ ] I read the online test tutorial.
- [ ] My computer, laptop or tablet (not a phone) is charged and plugged in; the webcam works.
- [ ] I use a supported web browser and no VPN.
- [ ] My internet connection is stable.
- [ ] I am alone in a quiet, well-lit room. Phone and other devices are put away.
- [ ] All other tabs, windows and programs are closed. No study notes nearby.
- [ ] My face is clearly visible to the camera.
- [ ] I have my photo ID or permanent resident card ready.
- [ ] I know the plan: answer what I know, mark the rest "to be reviewed", then go back.
- [ ] I will answer all 20 questions. At 5 minutes left I get a warning; at 45 minutes the test is sent in automatically.
- [ ] I will print or email the result page: the score shown is not final until an officer checks it.
- [ ] I took a practice test in the simulator this week and scored 15 or more.
- [ ] I slept well and had something to eat and drink.
